WELCOME.....

Welcome to the first newsletter for 2024 !

We hope that everyone had a fantastic Christmas and bought the New Year in with a bang !

As you can see we do now have a designated Newsletter page on the website, we endeavour to get a monthly newsletter out to keep everyone up to date now that we have the NEW, more user friendly Website that allows us to do this, CRCA has some big changes coming in the 2024 Rodeo season, but first lets do a recap on 2023

.....

CRCA saw a few changes in 2023 with its Management team, Vice President - Jimmy Curran stepped up as our New President, a job that he has jumped head first into and doing a fantastic job ! Admin also gained a new team member, Tanya Butler-Burns who came onboard back in May as Treasurer and to help share the admin duties with Jane.

CRCA had several Rodeo Associations affiliate with us in the 2023 season, we look forward to partnering with them and a few new committees in the 2024 season, we will continue to update our calendar on the website as we receive the 2024 "save the date" Rodeo events from committee's.

We did combine our annual CRCA Rodeo @Nebo with our finals presentations in November and the event was a huge success with nearly 200 nominations, unfortunately our Bronc Riders did miss out at this event due to the wet weather preventing our contractor from being able to get his stock to Nebo, but we know these fellas will come back strong and ready to ride for the 2024 season !

Jane & Tanya have been working hard behind the scenes this past 6 months getting everything up to date and ready for us to have the much awaited AGM, we will have a date set by the end of January and at this stage it looks to be mid March that we will hold it.

Memberships for 2024 will be due by February 10th and just a little reminder that you will need to be a member in order to be able to have a vote at the AGM , you can download the 2024 membership forms from the website.

The CRCA main phone and email is still currently out of service and should you have any concerns or questions please contact Tanya on 0428294478 or email centralrodeo.treasurer@gmail.com

2024 will see CRCA doing more Development Days and we are looking to hold our first one on the 13th of April in Middlemount, so make sure you 'SAVE THE DATE' , we are currently working on the details for this event and will have those out ASAP.

Make sure you check out the new website and save it into your favourites, it will be updated on a regular basis and we welcome anyone who wants to send photos, new or old that they would like us to put on the website.

You will notice we have a 'Walk Down Memory Lane' page, what a great look back on Rodeo...

Be sure to check that out !

We look forward to another great year of Rodeo with you all !
