# Welcome

Soooo we know it's been a while since our last newsletter, but here we are, and can you believe its already September?!? Where has the year gone? Before we know it, it's going to be Christmas again !!

Side note ~ We have decided that our newsletters will be quarterly from here on out, due to our busy schedules outside of CRCA.

Ok, Where do we start .....

Bowen Rodeo that was held on the 6th of July seems like a good place to start!

We went into Bowen not knowing what to expect, being that it was our first time running a Rodeo there, and let us tell you that Bowen didn't disappoint, the spectators were aplenty, despite a little wet weather earlier in the evening, the competitors put on a spectacular show and the stock were on fire! All making for one heck of an event.

We had wonderful & positive feedback from the community & all of our generous sponsors, whom are all looking forward to us returning for another big event in 2025!

So we are calling Bowen a HUGE success and can't thank those enough who were involved in making it happen, without everyone behind the scenes we just can't make our Rodeo's as successful as they are!

We have gained lots of new members over the last few months, a large influx of Junior competitors joining CRCA to compete in our MANUPLEX 2024 Junior Super Series, which has seen our Junior Bull Riders & Junior Barrel Racers competing for great prize money along with the chance to win a buckle at the end of the series!

We kicked off the series in Bowen, seeing the lovely Hanna Walsh take out the winning spot in the Junior Barrels, Congratulations to Hanna!

Unfortunately for our Junior Bull Riders in Bowen the Bulls were the winners on the night. Our Junior Super Series sponsors MANUPLEX have said lets jackpot the prize money from event 1 and roll it over to event 2 in Glenden on the 26th of October, so the Junior Bull Ride prize money for Glenden has jackpotted to a MASSIVE \$2500 with nominations remaining \$65, so be sure to save the date and try your luck in event 2.

CRCA have also been running our 2024 Tri-Series Barrel Race, which kicked off at Middlemount in May, the second round was held in Bowen in July, with the final round to be held in Glenden on the 26th of October, with thanks to ESA (Equipment Services Australia) another new sponsor that has come on board with CRCA this year, those competing in the Tr-Series Barrel race have a shiny new buckle up for grabs.

Jane found herself headed North in August, up to Tanya in Mareeba, where both ladies attended the Mt Carbine Bulls & Broncs, another great CRCA affiliated event, Tanya has been their Rodeo manager for the past 3 years and it was great to have Jane attend this year! Was a night, full of Bulls & Bronc's action and family entertainment, if Mt Carbine isn't already on your to do list then we highly recommend it for 2025!

Mt Carbine was a little bitter-sweet this year, after decades of CRCA Northern Contractor Glen Simmonds Bulls being used for their events, this year we said farewell to him and his family who are retiring from contracting.

I'm sure anyone who has done a Northern run Rodeo, has at some stage drawn one of Simmo's great bulls and we wish him well with retirement from the Rodeo arena and thank him for decades of great stock.

Twin Hills Rodeo is up next on the Rodeo Calendar, the 20th of September. Nominations have opened early, so that all competitors can get their tickets for this event. Nominations are open now until Friday 6th September, with late noms/cancel out Monday 9th September, nominations can be made via our website.

Our friends at the Moranbah Rodeo Assoc have again affiliated with CRCA this year and have their annual Rodeo on the 12th of October, we are looking forward to an action packed event and hope to see lots of noms.

That brings us to Glenden Rodeo, which is set for 26th of October, this is also a new event to the CRCA Rodeo Calendar for 2024, we know past Rodeo's have been held in Glenden with great success and we are certainly looking forward to an equally successful Rodeo!

Last but not least, we are in full swing with preparations for our final Rodeo of the 2024 season, being held in Clermont, with our Rodeo on Saturday 23rd of November and Presentations brunch for all the season finalist and title winners on Sunday 24th of November, be sure to save the date for this event.

Stay safe and we will catch you at the next Rodeo  
Jimmy, Glen, Jane & Tanya

The Equipment Services Australia Tri-Series Barrel Race only has one event left before we award our champion with a beautiful new buckle.

Who will it be? Amy and Abby only have a fraction of a second between their aggregate times and both ladies are red hot and on a roll this year! Following closely behind is Alicia who never backs down from competition. Glendon Rodeo will definitely be a nail biting show to experience.

Make sure to put it on your calendar, you wont want to miss this one.
